Abstract: The regulations at 27 CFR 555.57 require that all persons holding ATF explosives licenses or permits as of May 23, 2003, must report descriptive information on their responsible persons and possessors of explosives to ATF. Subsequent changes to their list of persons must also be reported. The information collection (IC) OMB 1140-0074 (Explosives Responsible Person Questionnaire - ATF Form 5400.13A/5400.16) is being revised to add a new form (Part B) to the existing requirement. The information collected on this new form will be replacing the Responsible Persons List, which was previously included on (IC) OMB 1140-0070 (Application for Explosives License or Permit - ATF Form 5400.13/5400.16). The new (Part B) will be used to gather information for each Explosives Responsible Person. Additionally, this collection includes a decrease in both, the total number of respondents by 38,125 and the total burden hours by 40 minutes since the last renewal in 2022.
